Congress Abstracts template and instructions:

Abstract presentation/structure is to be dictated as:

•The Abstracts should be submitted as **Word file**, with **one Abstract per page**.

•Abstracts must be **written in English**, they must be numbered, in the correct sequence

•If the **abstract is to be structured** it usually follows the following structure:

- Background/Aims: What is the major problem that prompted the study?

- Methods: How was the study performed?

- Results: What are the most important findings?

- Conclusion: What is (are) the most important conclusion(s)?

•**Titles must be given in the sentence case** (not capital or lower case only)

•**Authors: without titles or degrees, one forename must be given in full**

•**Name of department(s), institution(s), city, country to which the work should be attributed.**

•Number of words: **250-350**

•The inclusion of one figure or table is a possible option.
